

Attachment to the registration form for the kindergarten of the German International School Dubai

With my / our signature, I confirm / we confirm that I / we have taken note of the following points:

1. Upon admission to the kindergarten, your child has to be toilet-trained and must require no more diapers. In the event that there is a little "accident", please ensure that there are always enough changing clothes in the kindergarten.
2. For a smooth start in the kindergarten, the parents have to accept the settling-in-concept. (You find the settling-in concept on our homepage in the area of the kindergarten.)
3. I / We accept that the inclusion in the kindergarten at the beginning of the school year is done in steps. Not all children start their first day in kindergarten directly on the first day after the holidays.

Name of the child: _____

Name of parent / guardian: _____

Signature of parent / guardian: _____

Date: _____
