

PRODUCTION

Not only our ingredients are Organic Certified, but OUR PRODUCTION FACILITIES have also the ECOCERT  certification

Our METHODS OF PREPARATION are based on the following policy:

- ✓ **microwaves** are strictly prohibited
- ✓ we prefer to bake or roast instead of **deep frying**
- ✓ the food is prepared every day with fresh and non **processed ingredients** for a consumption on the same day
- ✓ we offer vegan or vegetarian options twice a week, gluten free, dairy free or sugar free products are also available from time to time in the weekly menu

Our philosophy is also ENVIRONMENT FRIENDLY oriented, and we are using compostable packaging for our lunch boxes.
