

Welcome to Gulf Star

I would like to personally offer you a warm welcome to Gulf Star Sports, and thank you for taking the time to read this message.

Gulf Star Sports are extremely excited to be returning to DISD in 2021 to run an all new Co-Curricular program, which is available to from May onwards (starting with Primary School). This is also an exciting opportunity for me, as I will be returning to the venue where I played a key role in successfully launching the CCA programs back in 2019. I am always happy to assist parents and will be contactable on my email address - jacob@gulfstarsports.com

Please do not hesitate to contact me at any time.

Kind regards,
